

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I currently receive internet services from a regional ISP, and prefer that service to one provided by a large national company. Please allow these providers to remain in the market, so that we continue to have a local option for our internet experience. Thank you.

Sincerely,

Barbara Powers
